

Request for Quotation

Topic: RFQ – B2B Digital, Creative, and Content Services for EU Projects

Dear Prospective Vendor,

Laser Consult Ltd. is initiating a procurement procedure to select a competent vendor to support the Dissemination and Communication (D&C) activities within its Horizon Europe project portfolio.

Subject of Procurement: Provision of B2B digital, creative, and content services for Dissemination and Communication tasks in Horizon Europe projects

Scope of Work and Details:

As part of the overarching Dissemination and Communication requirements of the Horizon Europe framework, the selected vendor shall be required to execute the specific tasks detailed in the attached quotation template. The vendor must deliver these tasks over a 24-month period, strictly at the fixed prices submitted in their quotation. The required services shall be delivered on a continuous basis throughout the 24-month contract period following the execution of the contract.
